#### Problem – Solution Fit Template:

The Problem–Solution Fit helps us understand the real problems faced by patients and diagnostic center staff and identify a solution that fits their needs. The Medical Diagnosis Center by Service Portal (ServiceNow) is designed to reduce manual work, improve appointment management, provide digital reports, and automate healthcare services.

#### Purpose:

- Solve appointment booking and report management problems using ServiceNow.
- Provide a simple digital platform for patients and diagnostic center staff.
- Reduce waiting time and manual paperwork.
- Improve communication through automated notifications.
- Provide secure access to reports, appointments, and payments.
